

Samsung Mobile firmware updates

Every week Samsung updates plenty of devices. From this year SamMobile gives you the opportunity to follow every update from every country worldwide.

We weekly update our readers where what kind of device in which country Samsung updated. If you like to get those updates on daily base.

Please make sure to follow @SamKiesUpdates on twitter. Samsung update devices by using Samsung KIES or OTA (over the air) Ofcourse are all firmware downloadable trough the services of SamMobile's firmware page!

Enjoy!
